

SCHOLARSHIP APPLICATION FORM 2020

Dear Parents / Guardians

Carrum Downs Secondary College is extremely proud of its academic results. In recent years, we have had students achieve ATAR scores in the top 5% of the state. We are committed to developing students to reach their full academic potential and being the school of choice for all young people of Carrum Downs and Skye.

As a part of this commitment, the College intends to support students who display particular talents by offering scholarships to the value of \$350 to students who are highly motivated, talented and are achieving academic excellence.

Expressions of Interests for the scholarships are required by **FRIDAY 7TH JUNE 2019**. All applications will be reviewed, and shortlisted applicants will be notified of an interview time. Only students who are accepted into CDSC in August will be considered.

Scholarships will be awarded on the basis of this interview as well as the written application, reference checks and information provided by the student's primary school.

Yours Sincerely
