Carrum Downs
Secondary College

Dear parent/guardian,

Carrum Downs Secondary College is looking forward to another great year of teaching and learning and would like to advise you of our college's voluntary financial contributions for 2024.

As you are aware, schools provide students with free instruction to deliver the standard Victorian curriculum and we want to assure you that all contributions are voluntary. All **Extra-curricular** items and activities are provided on a user-pays basis.

Ongoing and continued support from our families regarding financial contributions to our college has ensured that our school can go above and beyond offering a standard curriculum program and allow our students to have a wide choice of subjects to pursue their chosen pathways.

Our suggested voluntary contributions amounts remain at a low rate, and you are welcome to increase or reduce the amount you choose to pay. Any extra funding that we receive through your contributions enables us to provide the best possible opportunities for our students.

The voluntary contributions suggested for high-cost materials in some subjects (food, timber, art resources) your student is undertaking will show in Compass finance. Contributions you choose to make will be greatly appreciated and will enable us to continue to offer these subjects in the future.

We continue to invest in our college facilities, in our staff and our students. We truly believe our students deserve the best possible opportunity to thrive and pursue their wide range of passions in state-of-the-art facilities as they move through our college and onto the next chapter of their lives.

Our STEAM building is close to completion and will be in operation in 2024. Your voluntary contributions for STEAM centre equipment and Information technology will assist us to commence outfitting this building with 3D printers and laser cutters. Contributions of \$12,800.00 in 2023 will be used towards the purchase of a laser cutter. Your voluntary contributions will allow us to keep moving forward in this space and ensure that our students do not fall behind in necessary skills of the future.

Carrum Downs Secondary College is an inclusive school where every child is supported and provided for. Your continued support allows us to create this environment in our college.

For further information on the Department's Parent Payments Policy please refer to our college website under college payments.

Yours sincerely,

Michael Melfi
