Dear Parent/Guardian,

Carrum Downs Secondary College is continuing to invest in improving student outcomes and would like to advise you of our college's voluntary financial contributions for 2026.

Schools provide students with free instruction to deliver the standard Victorian curriculum. Whilst Extra-curricular items and activities are provided on a user-pays basis, all other contributions are voluntary.

Our suggested voluntary contributions amounts remain at a low rate, and you are welcome to increase or reduce the amount you choose to pay. Any extra funding that we receive through your contributions enables us to provide the best possible opportunities for our students.

The voluntary contributions suggested for high-cost materials in some subjects (food technology and Café, wood technology, art and STEAM) your student is undertaking will show in Compass finance. Contributions made are greatly appreciated and enable us to continue to offer these subjects in the future.

We continue to invest in our college facilities, in our staff and our students. Our students deserve the opportunity to achieve their very best. Upgrades to facilities in the 2025 year have included the refurbishment of toilet blocks, the creation of the senior hub and study hall and new classrooms for inclusion and intervention.

Our curriculum offerings have continued to expand, and your voluntary contributions have allowed us to improve outcomes for students and add additional resources, the Aspire programs and more subjects in 2026. In 2026, we have included a new subject, VCE Systems Engineering Units 1&2, an exciting new subject for our STEAM program along with additional electives across year 7-12.

Carrum Downs Secondary College is an inclusive school where every child is supported to achieve their very best. Your continued support allows us to create this environment in our college.

For further information on the Department's Parent Payments Policy please refer to our college website under college payments.

Yours sincerely

Chad Ambrose
